3. Choose **Other** from the list that appears:

Mail... Add Account

 Exchange

 Google™

 YAHOO!

 **Aol.**

 Outlook.com

**Other**

4. Select **Add Mail Account**. In the **New Account** menu, you will need to specify the following records:

**Cancel**      **New Account**      **Next**

Name      Synergy

Email      teamsynergy@synergizer.net

Password      ●●●●●●●●●●●●

Description      Synergy

Q W E R T Y U I O P

A S D F G H J K L

↑ Z X C V B N M ↵

123      space      return

Click **Next**.

5. Select protocol type: **IMAP** or **POP3**. We advise you to use IMAP. Your selection will be highlighted blue.

6. Settings are the same for both IMAP and POP3: In the fields for both **Incoming Mail Server** and **Outgoing Mail Server**, indicate the following:

- **Name, Address** and **Description:** should have been already filled in
- **Host name:** popmail.synergybroadband.com
- **User Name:** teamsynergy@synergizer.net
- **Password:** password for your email

Cancel

9. Scroll down and select **Advanced**:

The screenshot shows an email account configuration interface. At the top, there are three buttons: 'Cancel', 'Account', and 'Done'. Below this is a section for 'INCOMING MAIL SERVER' with fields for 'Host Name' (popmail.synergybroadband.com), 'User Name' (teamsynergy@synergizer.com), and 'Password' (represented by dots). A section for 'OUTGOING MAIL SERVER' follows, with a 'SMTP' option and a right-pointing arrow. The 'Advanced' option is highlighted with a green border and also has a right-pointing arrow. The background of the screen is light gray.

10. Here you can choose additional settings for **IMAP**

You need to use port **993 (with SSL)** or port **143 (without SSL)**.  
Set **IMAP Path Prefix** to **INBOX**:

S/MIME

11. In order to set up additional settings for outgoing server, you will need to return in the previous menu and then go to **Outgoing Mail Server** by clicking on the host name of the server:

The screenshot shows an email account configuration interface. At the top, there is a header bar with 'Email' on the left, 'support@nctest.in' in the center, and 'Account' in the middle. On the far left and right of this bar are 'Cancel' and 'Done' buttons respectively. Below the header, the account name 'Synergy' is displayed under the 'Description' label. A section separator 'INCOMING MAIL SERVER' is followed by three fields: 'Host Name' with the value 'popmail.synergybroadband.com', 'User Name' with the value 'teamsynergy@synergizer.com', and 'Password' which is masked with 12 dots. Another section separator 'OUTGOING MAIL SERVER' is followed by a row for 'SMTP' with the value 'popmail.synergybroadband.com' and a right-pointing chevron. This row is highlighted with a green border. Below this is an 'Advanced' settings row, also with a right-pointing chevron.

Cancel	support@nctest.in	Account	Done
